Dear Alice,

Thank you for the letter. I want to tell you about my summer holidays. In July I didn't go to the camp (лагерь), I went to the country. I had a great time there. There was a big garden with beautiful flowers next to my granny's house. But I didn't have much time to rest there. There was also a farm not far from my granny's house. Every day we went to the farm to clean and feed the horses. Sometimes we took them for a walk. Now I can ride the horse.

In August I went to the Black Sea with my parents. The weather was sunny and hot. We swam in the sea and sunbathed. In the evening we walked in the park. I was so busy that I didn't have time to watch TV or play computer games. My birthday is on the 10th of August and we went to the dolphins' show. It was very interesting. Dolphins dived, swam, danced and even sang songs. I took a lot of photos of these nice and clever

animals. At the end of the show I played ball with the dolphins. I enjoyed my birthday and my new friends. I'd like to see the dolphins and their show next year.

And what did you do during your summer holidays? Did you stay in the town or go to the country?

Write back.

Yours,

Dasha
